**ABOUT VALE SCHOOLHOUSE**

Since 1884, the history of the white framed building at the corner of Fox Mill & Vale roads in Oakton, VA served its original purpose as a one room schoolhouse. In 1934, a group of local women joined together to purchase the schoolhouse from Fairfax County. It now functions as a central meeting place and an icon of the Vale community from 1934 to today and provides a variety of education and social opportunities to our members. The Vale schoolhouse is listed on the National Register of Historic Places. This is a fundraiser for the Vale Schoolhouse to rebuild our outdoor stage which is used for community events, property clean up from storm damage, and ongoing preservation & maintenance.
